

General Terms and Conditions for using the NMC Extranet

On registering and using the NMC Extranet, Users accept the following terms and conditions:

NMC International S.A. (hereinafter "NMC") grants Users the right to use its image material (photos, videos, films), its brand logos, logos of NMC trademarks/brands, documents (catalogues, brochures, flyers, press releases, etc.) under the following conditions:

1. Users acknowledge NMC's exclusive ownership on the image material used, as on all trademarks and logos.
2. The image material may only be used by Users in direct connection with the marketing of NMC products and only in the form in which it is made available to them. No modifications to files and images are allowed without the prior written consent of NMC.
3. When publishing images, films and videos, Users undertake to always name the source of the image (NMC or the respective brand) and to observe any special copyrights (to be found in the image's metadata).
4. The right granted to a User is exclusive and indivisible, and not transferable without the prior written consent of NMC.
5. Users agree not to do anything that would negatively affect or limit NMC's rights to the image material, trademarks, logos, etc. for the duration of this Agreement or at any later point in time.
6. Upon termination of the cooperation or upon the first written request from NMC, Users agree to immediately stop using the image material, trademarks and logos that NMC owns or uses.
7. Users further agree that their use of the image material and the NMC logo will not give rise to any detrimental right or interest and that they will not be entitled to any compensation or damages in the event of the cooperation being terminated.

This Agreement comes into force for an unlimited period once Users give their consent to it. It can be terminated immediately by means of a simple written NMC request (letter, email, etc.). The cancellation of this Agreement by NMC comes into effect the day after delivery.

In the event of NMC cancelling this Agreement, the User(s) concerned are not entitled to claim compensation or any other form of damages.

As of the end of the Agreement, Users undertake to immediately stop using any or all of the trademarks, images, logos, etc. owned or used by NMC. Furthermore, they agree that the use of the NMC brands does not give them any entitlements/claims against NMC.

Users undertake to respect the current legislation governing the use of such material.

This Agreement is subject to Belgian legislation.

In the case of any dispute, competence lies with the Belgian courts (Eupen, Verviers).

Any amendments or addenda to this Agreement, as well as any cancellation and/or termination thereof, must be made in writing to be effective.
